To the holders of ordinary shares and, for information only, to the holders of share options of Anglo Asian Mining PLC (the "Company").

### Dear shareholder

Accompanying this letter you will find the Company's annual report and accounts for the year to 31 December 2014 together with the attached notice of the Annual General Meeting to be held on 29 June 2015 (the "Meeting") and a form of proxy. This letter is to explain the background to some of the resolutions to be put to shareholders at the Meeting.

### Resolution 3 – Re-election of the Director retiring by rotation

Under the Company's articles of association, one third of the directors of the board of directors (or, if the number of directors is not three or a multiple of three, the number nearest to and not exceeding one third) must retire at each Annual General Meeting and may offer themselves for re-election to the board of directors. This year John Monhemius is retiring in accordance with the Company's articles of association and is seeking re-election at the Meeting.

### Resolution 4 – Authority to allot shares

This ordinary resolution deals with the renewal of the directors' authority to allot new Ordinary Shares during the course of the year in order to facilitate the business of the Company and renews the equivalent authority granted at last year's Annual General Meeting which expires at the end of the Meeting.

The current ABI guidelines state that ABI members will permit, and treat as routine, resolutions seeking authority to allot shares representing up to two-thirds of the Company's issued share capital, but on the basis that any authority to allot shares exceeding one-third of the Company's issued share capital can only be used to allot shares pursuant to a fully pre-emptive rights issue.

In accordance with these guidelines, resolution 4 proposes that directors be granted authority to allot shares in the capital of the Company up to a maximum amount representing the guideline limit of two-thirds of the Company's issued ordinary share capital as at 27 May 2015 (the latest practicable date prior to publication of this letter). Of this amount, half can only be allotted pursuant to a rights issue.

The authority will expire on the earlier of: (i) the conclusion of the next Annual General Meeting; and (ii) 30 June 2016 (being six months after the Company's accounting reference date).

### Resolution 5 – Disapplication of statutory pre-emption rights

This resolution is a special resolution that renews the authority given at last year's Annual General Meeting and which seeks to give the directors the authority to allot securities for cash on a pre-emptive basis within the limits of the authority set out in resolution 4 and on a non pre-emptive basis up to a maximum of 10 per cent. of the issued ordinary share capital of the Company. The directors believe that it is in the best interests of the shareholders that the directors should have the right to allot relevant securities for cash on a pre-emptive basis and a limited authority to allot relevant securities for cash on a non-pre-emptive basis.

### Action to be taken

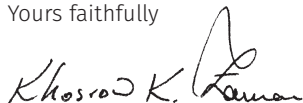

Whether or not you intend to be present at the Meeting, you are requested to complete the reply-paid form of proxy in accordance with its instructions and return it to the address given on the form of proxy.

### Recommendation

The directors consider all the resolutions to be put to the Meeting to be in the best interests of the Company and its shareholders as a whole and are most likely to promote the success of the Company for the benefit of its shareholders as a whole. Accordingly the directors unanimously recommend that you vote in favour of the proposed resolutions, as they intend to do in respect of their own beneficial shareholdings.

We look forward to as many of you as possible attending the Meeting.

Yours faithfully

Khosrow Zamani  
Non-executive chairman
